Kayabuki Concert Spring 2019

Dear friends of the Kayabuki Ongakudo,

I will play great dreamlike pieces with a wonderful friend,
thank you so much for your warm support.

This autumn, please join us to hear several Schubert masterpieces that resonate deeply with
and are treasured by piano duo pianists.

I remember fondly the TV program we made with NHK called "The Journey of My Heart:
the soul that Schubert touches" in which the Seiler piano duo visited many places connected
with Schubert.

Program:

Schubert's Fugue, Fantasy f-moll, Rondo, Army March, Polonaise, Grand Sonata, etc.

Please come and listen to Schubert in the beautiful, clear autumn air in the charming Japanese
village of Goma.
