Dear friends of the Kayabuki Ongakudo, I will play great dreamlike pieces with a wonderful friend, thank you so much for your warm support.

Early this summer, we will hold a Kayabuki concert based on German songs, related to the beautiful fresh green season of May.

Mirella Hagen, the beautiful and highly regarded German diva, will perform songs inspired by the flowers and natural scenery.

My mother was one of four sisters, all of whom graduated with degrees in vocal music from Tokyo University of the Arts. Therefore, I grew up with these songs, and I went on to study vocal music at high school, and went to college to study for a double major in piano and vocal myself.

Later, in Salzburg, as a Lied-class accompanist, I played many and varied songs with many different singers every day. A love of singing was also at the root of our work as the Seiler piano duo, which I played with my husband. I would be honoured if you could invite everyone to come to Goma village, where the fields become emerald carpets, the mountains wake from sleep and the fresh green is dazzling.
